

## MEET YOUR FACULTY

**Jeffrey Raskin** is a full time REALTOR® and associate broker for West USA Realty. His NAR designations include GRI, E-Pro and he is a technology real estate instructor of the GRI314 course as well as offering other ADRE accredited technology courses.

Jeffrey, graduating from Arizona State University in 1992 with a bachelor's degree in Business Management, has been actively practicing in the real estate industry since 2000; buying, selling and investing in residential real estate.

Working with computers and creating systems throughout his professional career, Jeffrey has developed and utilizes the ultimate "techno" paperless office. Being a practicing REALTOR®, the tested techniques taught are the latest and greatest and work flawlessly in the real world.

Jeffrey is a certified ZipForm® instructor and is accredited by the Arizona Department of Real Estate (ADRE) to teach his technology classes, giving Contract Law and General continuing education credits to REALTORS® across the state. He also served on the ADRE 2007 Technology Group to help the department discover better ways to solve their technology woes.

Teaching many REALTORS® and other real estate industry related professionals over the years, his classes have taken thousands of professionals to new levels- making careers and life a little easier and more productive.

Modules: 314
