*Candidates meeting the criteria may elect to take an alternative for either module 100 or 101 or for both modules. Candidates who elect to take the alternatives, may choose which elective modules they wish to take (in addition to the two electives they are already required to take). Request for course alternative must be approved **PRIOR** to taking the class(es).*

CRITERIA:

- GRI candidates **must** have a minimum of three years in real estate OR a production of 36 closed transaction sides (transactions must be recorded).

In lieu of Module 100, I request approval to take:

Module _____ on _____ with _____ Association

In lieu of Module 101, I request approval to take:

Module _____ on _____ with _____ Association

Module _____ on _____ with _____ Association

Requirements/Guidelines:

- Candidates must have met the above criteria prior to attending the class (if criteria is not met prior to submitting the form, approval will be contingent upon the criteria being met and proof submitted to AAR).
- The three years in real estate applies to when you obtained your real estate license, not when you became a REALTOR®.
- If you have pre-registered for a GRI 100/101 and realize now that you would prefer to do an alternative class, you must contact the provider (association) offering the class regarding their cancellation policy and their policy regarding transfer of registration money.
- Transaction Log form must be attached to this request form
- The alternatives for GRI candidates who have met the stated criteria are as follows:
 - a) in lieu of module 100, candidates must select either a one- or two-day 300 series elective module, in addition to the required two elective modules
 - b) in lieu of module 101, candidates must select two-days of the 300 series elective modules, in addition to the required two elective modules (*this can be two one-day elective modules or one two-day elective module: i.e., modules 314 & 318*)

I certify that I have been: active in real estate for three years; original license date _____ or have a total of 36 closed transaction sides. (See attached transaction log)
